Dear Mr Bartulovic

I am writing to inform you how pleased we have been with the services of Scope. Since purchasing our new colour machine the staff here have been extremely pleased with the quality etc.

The times we have had to call Scope your staff have been only too happy to help and when they have had to come out they have also bought Jelly Beans!

We thank you for your good service and look forward to your continued support in the future.

Best regards,

Michelle Jamieson
