Dear Andrew

I would like to thank you and your team for the way in which you have conducted our dealings with your company.

The two C450 machines that we have had since December 2005 replaced two other Minolta copiers that we acquired in 2003. The copiers have been found to be reliable with little or no down time and your regular maintenance and service is always provided in a fast turn around time.

I look forward to future dealings with Scope , having confidence in the Minolta product.

Yours faithfully

Paul C Catley
