Dear Sir/Madam

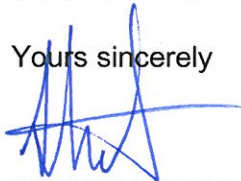

Last Wednesday the 24th of August 2011 Scope installed a Konica Minolta bizhub C652ds Digital System on level 3 at our premises at 432 Murray Street.

The service we received from the installer (unsure of his name) and Tony Cooper the trainer was both professional and efficient. The instructions were clear and easy to understand by all those that attended these sessions.

We also receive a monthly valet service from a guy called Luke (unsure of his last name). He is also professional and very helpful.

We look forward to the fantastic service we receive from Scope continuing.

Yours sincerely

SHARON HURT
EA/OFFICE MANAGER
